#### Notice of Booking Conditions 2023 Event

The safety of our exhibitors and visitors is paramount. Your own risk assessments appropriate to your company H&S policy reflecting the items displayed and the nature of your stand should be conducted, and risks mitigated in accordance with your own company practices. Coupled to this, compliance with common law and regulations is the basis of the organiser’s expectation of exhibitors.

All bookings are final. Refunds will be given at 80% of the stand price if cancelled 6 months prior to the show date, at 50% if cancelled 4 months prior to the show date. For cancellations within 2 months of the show date we are unable to offer re-funds. If the show is cancelled due to government enforced lockdown your booking will be transferred to a later date. Failure to pay our invoice when presented and due does not relinquish your obligation to pay appropriately upon your cancellation.

By booking you enter into a contract on the terms stated. Invoices are issued in January 2023 and after that date upon booking and are payable 30 days of the invoice date. As the show nears the payment terms will reduce for new bookers with any invoice issued within 8 weeks of the show date requiring immediate payment.

In the case of a force majeure event such as war, terrorism, earthquakes, hurricanes or the end of mankind, Rail Infrastructure Networking Limited will be excused from our obligation to perform under contract. There will be security at the venue. Any photographs provided from our web site or taken within the premises in the period between set up and breakdown may be used to directly promote your company’s association with RIN/RSN Events and for no other purpose without our express permission which will not be unreasonably withheld. There will be no tolerance of behaviour that in the organisers absolute view may cause alarm or distress to others. We will require all exhibitors to hold Public Liability Insurance of a minimum value of £5m. The organisers carry their own insurances pertaining to their responsibilities for the event.

Please do not leave rubbish behind your stand during the event and ensure that any structure adjoining another stand that projects towards the aisles is covered to ensure that stand framework is obscured.

Contact Jobson James our preferred insurer, for any Insurance Quotation by clicking [here](#).

## Optional Extras

Our media partner, nominated on our web site, has services available for exhibitors to help with profile-raising through news stories, marketing collateral to get your business ready for RSN and help with stand development. Separately Derby Live offer equipment and AV hire. These extras are entirely optional and are not part of your stand booking. The details of these services are accessible via our web site and for equipment via the Exhibitor Portal. Please note that the invoicing of any additional services relates to a contract you enter into separately with that provider over which the organisers have no control.

## Show Preview and Show Guide

RSN 2023 bookers will be able to access further promotional opportunities through inclusion in the Show Preview and the complete RSN 2023 Show Guide released shortly before the event. This is entirely optional.
